2nd ANNUAL RIDE FOR THE RED MOTORCYCLE POKER RUN

San Joaquin County, CA Sept 9th, 2009— The San Joaquin County Fire Chief's Association along with the American Red Cross, Eagles Nest Harley Davidson and Backroads Custom Cycles have made the decision to postpone the 2nd Annual Ride for the Red originally scheduled for Saturday September 19th. Due to logistical issues and scheduling conflicts the Ride will not take place in September as originally planned but has been postponed until sometime in March 2010. The March date will coincide with Red Cross Month and will provide additional opportunities to raise much needed funds for the San Joaquin County Red Cross Chapter.

About the American Red Cross:

The American Red Cross shelters, feeds and provides emotional support to victims of disasters; supplies nearly half of the nation's blood; teaches lifesaving skills; provides international humanitarian aid; and supports military members and their families. The Red Cross is a charitable organization — not a government agency — and depends on volunteers and the generosity of the American public to perform its mission.
